

King Rooter & Plumbing is seeking experienced plumbers for our Denver and Boulder metro operations.

We are a fast growing plumbing company that has been offering plumbing, drain, sewer, excavation, septic system, water line, and water heater services since 2006.

King Rooter & Plumbing is growing fast and we need experienced Plumbers to service residential and commercial accounts. If you are an experienced Plumber with excellent skills, we would like to discuss our opportunities with you.

QUALIFICATIONS

- Experience (minimum of 3 years)
- Plumbing & drain technicians
- Good problem solvers
- Positive working attitude
- Team players
- Good Motor Vehicle Record (MVR)

COMPENSATION

We offer a generous pay scale for top qualified technicians.

REPUTATION, QUALITY & CAREER GROWTH

We have an outstanding reputation for quality, pricing, and service, offering reliable plumbing services to Colorado homeowners and businesses since 2006.

Are you ready to work for a fast growing company with mature, stable, professional people like yourself, a great work environment, and career growth opportunities? We would like to hear from you!

Call Today! **Call King Rooter & Plumbing at 303-949-2593.**
